

SEOUL, KOREA

DEC. 5-6, 2019

HALL 6, KINTEX 2

APPLY TO SPEAK

Firstly, we do appreciate your application for speaking at Techfin Asia 2019.

Techfin Asia 2019 is the place where the most influential leaders, visionaries, developers and investors join together to seize new business opportunities, build connections and learn about the latest blockchain and techfin innovations on the globe.

Interesting, early-submitted, noteworthy, senior-level committed content is preferred at Techfin Asia and we can only create that through collaboration with you.

Please submit **headshot, biography, session summary and title of the speaker candidate** to speaker@kintex.com as early as possible.

We evaluate each speaking request carefully and will be making speaker selections on a rolling basis. Speaking submissions will close in early autumn 2019 but we strongly recommend submitting them as early as possible.

Demand is extremely high for speaking roles, so please do not be disappointed if we don't proceed with your proposal this year. A member of the content team will be in touch regarding your proposal within 2 weeks of submission.

Many Thanks,
Team Techfin Asia
